SIFISO MANGANYE

Aspiring Software Developer/Tester

Profile

Aspiring software developer and systems development student with experience in retail and security. Skilled in Java and Python, currently advancing in C#. Passionate about coding, problem-solving, and ensuring software quality through testing, eager to learn and contribute to innovative projects.

Work Experience

2024

-

2024

Hex Softwares

Java Programming Intern

- As a Java Programming Intern, I contributed to software development projects by writing, testing, and debugging Java code.

2021

-

2023

Zwartkop Golf Estate (HOA)

Security Officer

- As a security officer, I ensured the safety of premises, staff, and visitors by patrolling, monitoring access, and using surveillance systems to deter criminal activity. I also responded to emergencies, alarms, and escorted individuals for their safety.

2017

-

2019

G4s Secure Solutions

Security Officer

- As a security officer, I ensured the safety of premises, staff, and visitors by patrolling, monitoring access, and using surveillance systems to deter criminal activity.

2019

-

2018

New Africa Petroleum (NAP)

Forecourt Attendant

- As a Forecourt Attendant, I provided exceptional customer service by dispensing fuel, processing transactions, and assisting with vehicle maintenance tasks like checking oil and inflating tires. I also sold convenience items and maintained a clean, organized forecourt.
